

Holy Family Healthcare is now hiring Teachers who are fluent in Spanish for Spanish Language Saturday School

The mission of Holy Family Healthcare is to joyfully provide excellent primary health care through attention to mind, body, and spirit. We are committed to honoring the dignity of every individual person as we would Christ.

Job Title: Maestro/a, La Escuela Familiar

Location: St. Mary's Catholic School, 500 E Paw Paw Street, Paw Paw Michigan

Reports to: Program Director

Status: Contract Employee for 10 week pilot program (10 Saturdays plus planning meetings)

Salary Range: \$1000

La Escuela Familiar is a Spanish language Saturday morning school for those children whose primary language at home is Spanish. This is a 10 week pilot program with the hopes of running 3-10 week sessions each school year. The school will have a strong focus on supporting the entire family while giving the children the academic language needed to excel in any school setting. La Escuela Familiar serves Spanish speaking children ages 5-10.5 class groupings will be formed based on proficiency in Spanish.

Essential Duties and Responsibilities:

- Ability to take virtue centered curriculum and develop 10 week project-based unit of study
- Able to use achievement data to develop appropriate teaching plans
- Willing to develop strong partnerships with families and volunteers

Requirements:

- Must have a heart for children, families and the power of education to transform
- Must be fluent in Spanish (All communication at La Escuela is to be in Spanish. No English in the building.)
- Educational training/background preferred
- Strong communication and relationship building skills; including technology
- Be willing to sign our pre-employment Statement of Faith
- Complete a criminal background check and receive VIRTUS Safe Environment training within 30 days of employment
